Section 1

- A. Application is Approved. The Application is approved by the Sponsor. A copy of the Application is attached hereto as Appendix 1 and constitutes a part of this Charter. In the event of any conflict between the Application and any other provision of this Charter, the Charter provision shall control.
- B. Term of Charter.
 1. Effective Date. This Charter shall become effective on the date it is approved by both parties.

2. Term. The term of this Charter shall be five (5) years commencing on June 30, 2020 (“Commencement Date”) and ending on June 30, 2025 (“Initial Term End Date”) (the period of time between the Commencement Date and the Initial Term End Date is the “Initial Term”) unless terminated sooner as provided herein, or extended pursuant to Section 1.B.3., herein. The term shall be automatically extended on a month-to-month basis until the Charter has been renewed, non-renewed, or terminated by the Sponsor. If the School desires to renew the Charter, it shall submit an application at least 120 days before expiration of the Initial Term of this Charter or, if applicable, the renewed extended Term then in effect. The application for renewal must include written documentation showing how each of the criteria in Section 1002.33(7)(a) have been met and verifying that none of the causes for termination established in section 1(D), below, or any other provision of this Charter exist. If the School does not desire to renew the Charter, it shall provide written notice of such to Sponsor at least 120 days before expiration. If the parties cannot reach agreement on the terms of a new contract, either party may request mediation from the FDOE, pursuant to section 1002.33(7)(b), Florida Statutes. If the Commissioner of Education determines that the dispute cannot be settled through mediation, the dispute may be appealed to an administrative law judge appointed by the Division of Administrative Hearings. The administrative law judge has final order authority to rule on the dispute, including whether proposed provisions of the Charter violate the intended flexibility granted charter schools by statute.

3. Start-Up Date. For the first year of operating under this Charter the School shall begin classes on the same day as the Sponsor. Thereafter, the School’s instructional calendar shall generally be consistent with Sponsor’s public school instructional calendar, as to start of school, end of school, and school holidays for each year of the Charter. Provided however that the School shall have the ability to cancel or reschedule, at its discretion, a maximum of two school days per school year so long as the School meets all other applicable FDOE and Sponsor requirements related to minimum instructional hours per school year. This provision shall also not preclude the School from providing instructional services to students at times in addition to those provided by Sponsor in its schools, i.e. longer instructional day and summer instruction. The School cannot open absent submission of all required Pre-Opening documents as specified in Section 11 of this Charter. The School may defer the opening of its operations for up to three years to provide time for adequate facility planning. The School must provide written notice of such intent to defer opening to the Sponsor and the parents of enrolled students at least 30 calendar days before the first day of school. Deferral of School’s opening will extend the Initial Term End Date of this Charter a corresponding number of years and months up to a maximum of two years. Failure to open the School after all available deferral years is good cause for termination of this Charter.

Charter Modification. This Charter may be modified during its Initial Term or any renewal term only upon approval of both parties. No such modification shall be enforceable unless it is in writing and approved by both the Governing Board and

the Sponsor. If a charter school desires to propose an amendment to its charter contract with the Sponsor, it must submit a written request identifying the substance of the proposed amendment to the Superintendent and/or the Superintendent's designee on or before January 15th of the school year prior to the school year that the School desires the amendment to be effective. The Sponsor may, but need not, extend this deadline for good cause shown by the School. Requests to add or change the grade levels served by the School, to change the primary curricular focus of the School, to substantially or materially change the School's curriculum, or other substantive changes to the Charter, as determined by the Superintendent, must be accompanied by a new application and all its required supporting documentation. A charter school designated as a high-performing charter school may increase enrollment or expand grade levels in accordance with the procedure set forth in 1002.331, Fla. Stat.

4.

Charter Renewal. This Charter may be renewed as provided for in section 1002.33, or 1002.331, Florida Statutes. If the School desires to renew the Charter, it shall submit an application at least 120 days before expiration of the term of this charter. The application must include written documentation showing how each of the criteria in Section 1002.33(7)(a) have been met and verifying that none of the causes for termination established in this charter exist. If the School does not desire to renew the Charter, it shall provide written notice of such to Sponsor at least 120 days before expiration.

5. . Upon completion of a programmatic review of the application submitted in support of renewal, but no later than 90 days prior to the end of the charter term, the Sponsor shall notify the governing board of the Charter School in writing of the proposed action to renew, terminate, or non-renew the charter, pursuant to section 1002.33(8)(a), Florida Statutes. The Sponsor may not require the School to waive the provisions of s. 1002.331, Florida Statutes, or require a student enrollment cap that prohibits a high-performing charter school from increasing enrollment in accordance with s. 1002.331(2), Florida Statutes, as a condition of approval or renewal of the Charter.

6. Periodic Review and Evaluation. The Sponsor shall annually evaluate the School on its performance and progress toward meeting the standards and targets included in this Charter, including academic achievement goals. If the term of this Charter exceeds five years, the Sponsor shall conduct a High-Stakes Review at least every five years and shall present the findings of the review to the Governing Board of the School.

C. Education Program and Curriculum

1. Any material change to the education program or curriculum as described in the approved Application or Charter requires Sponsor approval.
2. The School agrees to implement its educational and related programs as specified

in the Application unless otherwise modified by this Charter.

3. The School shall make reading a primary focus of the curriculum and provide sufficient resources to identify and provide specialized instruction for students who are reading below grade level. The reading curriculum and instructional strategies shall be consistent with Florida Standards and grounded in scientifically-based reading research.
4. The School shall implement the District approved plan for English Language Learners as described in Section 7 of the approved Application.
5. The School will establish the current incoming baseline standard of student academic achievement, the outcomes to be achieved, and the method of measurement that will be used, as described in the approved Application.

D. Renewal, Non-Renewal, or Termination

1. Non-Renewal/Termination of this Charter. The Sponsor shall make student academic achievement for all students the most important factor when determining whether to renew or terminate this Charter. The Sponsor may choose not to renew or terminate this Charter if it finds that any of the following grounds below exist by clear and convincing evidence, as set forth in section 1002.33(8), Florida Statutes.

i. Failure to participate in Florida's education accountability system created in s. 1008.31, as required in this section, or failure to meet the requirements for student performance established pursuant to Section 2A of the Charter.

ii. Failure to meet generally accepted standards of fiscal management.

iii. Material violation of law.

iv. Other good cause shown, which may include, but is not limited to, any of the following:

- a. Failure to cure a material breach of any term or condition of this Charter after written notice of noncompliance;
- b. Failure to implement a reading curriculum that is consistent with effective reading strategies grounded in scientifically based reading research if not timely cured after written notice;
- c. Filing for voluntary bankruptcy, adjudication of bankruptcy or of insolvency, or other state of financial impairment by the School such that the School can no longer operate or is no longer financially viable;

- d. Failure by the School to provide the District with access to records as required by law or this Charter;
- e. Failure of the School to maintain minimum insurance coverage as described in this Charter if not timely cured after written notice;
- f. Violation by the School of any court order pertaining to the operation of the School;
- g. A criminal conviction upon matters involving the School against either the Governing Board, its members (collectively or individually), or the management company where the Governing Board knew or should have known of the conduct underlying the conviction and failed to take corrective action;
- h. Failure by the School to timely submit to the District a financial corrective action plan or financial recovery plan and required supporting documents following a notification from the District, Auditor General, or FDOE, that such a plan is required;
- i. Failure by the School to implement any financial corrective action plan or financial recovery plan approved by the Florida Commissioner of Education pursuant to section 218.503, Florida Statutes;
- j. Failure to provide periodic progress reports as required by the financial recovery plan if not timely cured after written notice;
- k. Perpetration of a material fraud upon the District or material intentional misrepresentation in the Application;
- l. Failure to comply with background screening and other requirements set forth in section 1002.33, Florida Statutes;
- m. Failure by the School to comply with all applicable laws, ordinances and codes of federal, state and local governance including, without limitation, the Individuals with Disabilities Education Act (IDEA) and applicable laws relating to English Language Learners (ELL).
- n. Failure to make sufficient progress in attaining the student achievement objectives of the Charter established pursuant to Section 2.A. and the School's School Improvement Plan, if applicable, and a showing that it is not likely that such

objectives can be achieved before the end of the Charter term;

- o. Willfully or recklessly failing to manage public funds in accordance with the law;
 - p. Any action by the School that is detrimental to the health, safety, or welfare of its students that is not timely cured after written notice;
 - q. Failure to maintain the minimum number of three Governing Board members for more than 30 days;
 - r. Failure to obtain and maintain all necessary licenses, permits, zoning, use approval, facility certifications, and any other approval required by the local government or any other governmental authorities having jurisdiction at any time during the term of this Charter.
2. The Sponsor shall notify the Governing Board in writing at least ninety days prior to renewing, non-renewing, or terminating this Charter, following the procedures set forth in section 1002.33(8), Florida Statutes.
- i. If the Sponsor issues a notice of non-renewal or termination, the notice shall state in reasonable detail the grounds for the proposed action and stipulate that the Governing Board may, within 14 calendar days of receipt of the notice, request a hearing.
 - ii. A request for a hearing must be authorized by a vote of the Governing Board and be submitted pursuant to the Notice provisions of this Charter.
3. The Sponsor may immediately terminate this charter pursuant to section 1002.33(8)(c), Florida Statutes.
- i. Upon receipt of notice of immediate termination from the Sponsor, the School shall immediately provide the Sponsor access to the School's facilities along with security system access codes and access codes for all School owned or leased computers, software, networking, switching and all other technical systems in the School's facilities or remotely located areas serving the School, and shall immediately make accessible all educational and administrative records of the School. Moreover, within two (2) business days, the School shall turn over to the Sponsor copies of all records and information regarding the accounts of all of the public funds held by the School. The Sponsor shall assume operation of the school throughout the pendency of the hearing as provided for in s. 1002.33(8)(d), Florida Statutes, unless the continued operation of the School would materially threaten the health, safety or welfare of the

students. Failure by the Sponsor to assume and continue operation of the School shall result in the awarding of reasonable costs and attorney's fees to the School if the School prevails on appeal. If the School prevails in an appeal through a final adjudication by an administrative law judge or by a final adjudication and mandate by the appellate court if an appeal to the appellate court is filed, the Sponsor shall, immediately, return to School all keys, security codes, all educational and administrative records of the School, and the School's facility. In that case, the School's Governing Board shall resume operation and oversight of the School.

ii. The School's instructional and operational employees may continue working in the School during the time that the Sponsor operates the School, at the Sponsor's option, but will not be considered employees of the Sponsor. Any existing employment contracts that any School personnel may have with the School may not be assumed or transferred to the Sponsor or any entity created by the Sponsor during the assumption of operations of the School unless the Sponsor or its entity, and the School, agree otherwise. The Sponsor reserves the right to take any appropriate personnel action regarding the School's employees.

4. If the School elects to terminate or non-renew the Charter, it shall provide a minimum of 120 days prior notice of the election to the Sponsor indicating the final date of operation as voted by the Governing Board at a publicly noticed meeting. A board resolution signed by the School's Governing Board chair and secretary, indicating support of this action, shall accompany the written notification provided to the Sponsor. The School agrees that such notification shall be considered a voluntary termination by the Governing Board and a waiver of its right to a hearing or appeal.
5. Upon notice of termination or non-renewal the School shall not remove any public property from the premises without written Sponsor approval.

E. Post Termination Provisions

1. If this Charter is not renewed or is terminated, the School shall be responsible for all the debts of the School. The District shall not assume the debt from any contract for services including lease or rental agreements, made between the School and a third party, except for a debt previously detailed and agreed upon, in writing, by both the Sponsor and the Governing Board and that may not reasonably be assumed to have been satisfied by the Sponsor.
2. In the event of termination or non-renewal of this Charter, any and all leases existing between the District and the School shall be automatically cancelled, unless the lease provides otherwise. In no event shall the District be responsible under any assignment of a lease for any debts or obligations of the School incurred prior to such assignment.

3. In the event of termination or non-renewal, any students enrolled at the School may be enrolled at their home District school, or any other school, consistent with the District's student transfer procedures including transfer of all student records to the receiving school. All assets of the School purchased with public funds, including supplies, furniture and equipment, will revert to full ownership of the Sponsor (subject to any lawful liens or encumbrances) or as otherwise provided by law. Any unencumbered public funds from the School, property and improvements of the Sponsor, furnishings, and equipment purchased with public funds, or financial or other records pertaining to the School, in the possession of any person, entity, or holding company, other than the School, shall be held in trust upon the Sponsor's request, until any appeal is resolved. If the School's accounting records fail to clearly establish whether a particular asset was purchased with public funds, then it shall be presumed public funds were utilized and ownership of the asset shall automatically revert to the Sponsor.
4. Final Audit: Pursuant to section 1002.33, Florida Statutes, upon notice of non-renewal, closure, or termination, an independent audit shall be completed within 30 days to account for all public funds and assets. During the fiscal year in which the termination or non-renewal occurs, the Sponsor may withhold from the School's FEFP funds, without penalty or interest, an amount necessary to cover the costs for a final financial audit of the School. The audit shall be conducted by an independent certified public accountant.

F. **General Statutory Requirements**

1. The School shall not discriminate in educational programs/activities or employment and shall provide equal opportunity for all as required by Federal, State and local law, rule, regulation and court order.
2. Additionally, the School shall comply with those statutes that specifically apply to charter schools as set forth in section 1002.33 generally, subsection 1002.33(16), and other applicable State laws. The School agrees that it will abide by all Federal and State laws, statutes, rules, and regulations applicable to charter schools and also abide by the terms and conditions of the Charter.

Section 2: Academic Accountability

2. By September 15 of each year the Sponsor shall provide the School the rates of academic progress for the prior year for comparable student populations in the District. The data shall include proficiency and growth on state assessments for English Language Arts and Mathematics by grade grouping (grades 3-5, 6-8, 9-12) for the following student groups:

The academic achievement goals shall include, at a minimum, growth and proficiency on state assessments, and may include performance on additional assessments included in the approved Application. If the School will not serve students in grades that participate in the statewide assessments the academic achievement goals shall be based on the assessments included in the approved application, and at least one assessment administered in traditional public schools in the District.
 - i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the proposed academic achievement goals it shall provide the School a written explanation. If the School and Sponsor cannot agree on academic achievement goals either party may request mediation pursuant to section 1002.33(6), Florida Statutes. If the Sponsor does not provide written notification within 30 days of receipt, the goals shall be deemed accepted by the Sponsor.

4. By October 15 of the second year of the School's operation, the School shall provide its proposed academic achievement goals for the remaining years of the Charter, up to a maximum of four years or the end of the current Charter term, whichever occurs first, using the same parameters and testing set forth in Section 2.A.3, above. Schools that have contracts in excess of five years shall resubmit proposed academic achievement goals every four years pursuant to the process described in this paragraph.
 - i. The Sponsor shall review the proposed academic achievement goals within 30 days of receipt. If the Sponsor does not accept the academic achievement goals it shall provide the School a written explanation. If the School and Sponsor cannot agree on academic achievement goals either party may request mediation pursuant to section 1002.33(6), Florida Statutes. The goals may be adjusted at any time upon mutual written

consent of both parties.

5. Annually, the School shall report its performance against the academic goals. If the School falls short of the academic achievement goals set forth under the provisions of this Charter the Sponsor shall report such shortcomings to the School's Governing Board and FDOE. The School shall make annual progress reports to the Sponsor which, upon verification, shall be forwarded to the Commissioner of Education, at the same time as other annual school accountability reports are submitted. Sponsor and School will agree on a comparable school population for comparison purposes; (b.) student achievement performance data, including the information required in the annual public school accountability report and the education accountability system, pursuant to Sections 1008.31 and 1008.345, Fla. Stat.. The School shall identify reasons for any difference between projected and actual student performance; (c) financial status of the School which must include revenues and expenditures at a level of detail that allows for analysis of the ability to meet financial obligations and timely repayment of debt; (d) documentation of the facilities in current use and any planned facilities for use by the School for instruction of students, administrative functions, or investment purposes; (e) descriptive information about the School's personnel, including salary and benefit levels of School employees, the proportion of instructional personnel who hold professional or temporary certificates, and the proportion of instructional personnel teaching in-field or out-of-field; (f) school's plan for providing accelerated instruction to students who score in levels one and two on the FCAT; (g) a description of innovative learning methods used by the school to achieve academic goals and (h) a statement describing the status of implementation of any corrective action plan or financial recovery plan.

7. Methods of Measurement: The methods used to identify the educational strengths and needs of students are set forth in the approved Application.
8. School Improvement Plans: The School shall develop and implement a School Improvement Plan as required by section 1002.33(9)(n), Florida Statutes and applicable State Board of Education Rules or applicable federal law. If the School is not required to submit a School Improvement Plan pursuant to Section 1002.33(9), Florida Statutes, but is identified by the FDOE (under the Every Student Succeeds Act) to be included in the list of comprehensive support and improvement (CS&I) schools or targeted support and improvement (TS&I) schools, it must develop and

implement a School Improvement Plan approved by the Governing Board.

B. Assessments

1. State required assessments: All students at the School will participate in all State assessment programs and assessments required by law. The School shall facilitate required alternate assessments and comply with state reporting procedures.
2. Additional Assessments: Students may participate in any or all District assessment programs in which the District students in comparable grades or schools participate and shall participate in any other assessments as described in the Application. The School shall be responsible for the costs of District assessments that are not required by law or this Charter, except those developed with federal funds or those developed using Florida's Item Bank and Test Platform

4. All School personnel involved with any aspect of the testing process must abide by State policies, procedures, and standards regarding test administration, test security, test audits, and reporting of test results. The Sponsor shall invite the School staff to District offered training related to State assessment administration and, as applicable, District Assessment administration, at no cost to the School. The Sponsor shall provide to the applicable School staff all services or support activities that are routinely provided to the Sponsor's staff regarding implementation of District and State-required assessment activities. The School shall designate a testing coordinator and shall be responsible for proper test administration. The School shall permit the Sponsor to monitor or proctor all aspects of the School's test administration, if the Sponsor deems it necessary.
5. The District shall provide the School with reports on District and State assessments in the same manner and at the same time as for all public schools in the District.
6. The School shall, at its expense, provide adequate technological infrastructure to support all required online test administration.
7. The School shall provide student assessment data, as required by s.1002.33 F.S. to each parent of a student at the School, the parent of a student on a waiting list for the School, the Sponsor, and the Governing Board. Such information shall also be posted on the School's Web site.

C. Student Promotion and Graduation: The School's student promotion policy shall be consistent with the provisions of the Application and applicable Florida law. The School will adopt the Sponsor's student progression plan.

D. Data Access and Use Pursuant to Statute

The School agrees to allow the District reasonable access to review its data sources in order to assist the District in making a valid determination about the degree to which student performance requirements, as stated in this Charter, have been met.

Section 3: Students

A. The School is authorized to serve students in grades kindergarten through sixth. Following one year from the date of opening, the School is authorized to serve students in grades kindergarten through seventh. Following two (2) years from the date of opening, the School is authorized to serve students in grades kindergarten through eighth.

The School may provide enrollment preferences as allowed for in section 1002.33(10), Florida Statutes. Further, the School may limit the enrollment process to target specific student populations as set forth in section 1002.33(10)(e), Florida Statutes, or as described in the approved Application.

The School will accept all eligible students in accordance with federal and state anti-discrimination laws and in accordance with the Florida Educational Equity Act, section 1000.05(2) (a), Florida Statutes. The School will not discriminate on the basis of race, gender, ethnicity, religion, national or ethnic origin or disability in the admission of students. The School may not request prior to enrollment, through the application or otherwise, information regarding the student's prior academic performance. Pursuant to section 1002.33(7), Florida Statutes, admission or dismissal must not be based on a student's academic performance.

The School agrees that it will not discriminate against students with disabilities who are served in the Exceptional Student Education (ESE) programs and students who are served in English for Speakers of Other Languages (ESOL) programs. The School will not deny admission to, nor withdraw, a disabled student based on a finding that the student needs a service delivery model not presently in existence at the School. The School will include non-discrimination statements and statements of inclusion in any application form or promotional literature and on the School website.

The School shall be non-sectarian in its programs, admissions policies, employment practices and operations. The School will meet all applicable state and local health, safety, and civil rights requirements. The School will comply with all applicable provisions of the Marjory Stoneman Douglas High School Public Safety Act, including the following:

6. Section 1012.584, relating to youth mental health awareness and assistance training.

The School will not participate in its Sponsor's plan for the mental health assistance allocation. If the School develops its own plan, it must submit that plan to its Governing Board for approval. After the plan is approved by the Governing Board, it must be provided to the School's Sponsor.

- B. The School shall make reasonable efforts, in accordance with federal law, to achieve a racial or ethnic balance reflective of the community it serves or within the racial or ethnic range of other public schools in the District and shall not discriminate against students with disabilities who are served in Exceptional Student Education programs (ESE) and students who are served as English Language Learners (ELL).

If the District is operating under a federal order or other resolution or settlement agreement, the School shall comply with those requirements applicable to charter schools that are not considered a local education agency (LEA). The School is not required to comply with federal requirements applicable to charter schools also considered to be an LEA.

- C. Recruitment

The School will recruit throughout all segments of the community. This may include direct mailings, public advertisement utilizing the local and community press and informational meetings at a variety of locations using both English and other languages where appropriate.

- D. Eligible Students

1. Each year, the School agrees to enroll an eligible student by accepting a timely application through deadlines as determined by the Governing Board and publicly advertised. If the target goal of students is not met by the deadline, and the School wishes to extend, the School will give sufficient public notice and extend the application deadline for a set time as determined and publicized by the Governing Board. If, at the 10 day count, the registered enrollment as reflected in the Sponsor's data system is less than 75 percent of the School's total projected enrollment as described in either the approved application for the first year or as determined under the provisions of Section 3.F. of this Charter, the School shall, upon request

by the Sponsor, submit a revised budget within 30 days taking into account the reduced enrollment. Failure to provide the revised budget may constitute good cause for termination.

2. If the number of applications exceeds the capacity of the program, class, grade level, or building, all applicants shall have an equal chance of being admitted through a random selection process. The School may give preference in admission to siblings of students enrolled in the school, children of governing board members, and children of employees of the school or limit the enrollment as provided for in section 1002.33(10), Florida Statutes. The School shall clearly indicate in its Policies and Procedures the lottery procedures and enrollment preferences the School will utilize.
3. Enrollment is subject to compliance with the provisions of section 1003.22, Florida Statutes, concerning school entry health examinations and immunizations.
4. If this Charter is not renewed or is terminated, a student who attended the School may be enrolled in another public school pursuant to Sponsor policies.
5. A student may withdraw from the School at any time and enroll in another public school, as determined by District policy. The School shall work in conjunction with the parent(s) and the receiving school to ensure that such transfers minimize impact on the student's grades and academic achievement.
6. School shall refer Charter School students for participation in extracurricular activities at Sponsor schools only in accordance with §1006.15, Florida Statutes. All such students will be assigned to a school through Sponsor's Student Assignment Office.

E. Class Size

The School shall be in compliance with Florida Constitutional Class Size Requirements, as applicable to charter schools.

F. Annual Enrollment

1. Preliminary Projected Enrollment: No later than November 1 of each year, the School shall provide to the Sponsor the School's Preliminary Projected Enrollment for the following school year. The Preliminary Projected Enrollment shall not constitute a cap on the School's enrollment for the following school year.
2. Annual Enrollment Capacity: The Annual Enrollment Capacity shall be annually determined by the Governing Board in conjunction with the Sponsor based on the factors set forth in section 1002.33(10), Florida Statutes. The School shall provide to the Sponsor by March 1 of each year of this Charter, or a date otherwise agreed to by the Sponsor and School, the proposed Annual Enrollment Capacity for the

subsequent school year. Disagreements between the Sponsor and the School relating to Annual Enrollment Capacity will be resolved using the dispute resolution provisions in this Charter and section 1002.33, Florida Statutes. The School shall not enroll students in excess of the physical capacity of the building, unless the School operates multiple sessions, in which case, the physical capacity of the School shall not be exceeded during any session. The Annual Enrollment Capacity of a School that is designated as High-Performing pursuant to section 1002.331, Florida Statutes, shall be determined by the Governing Board.

3. Final Enrollment Projection: No later than June 1 of each year, the School shall provide to the Sponsor the School's Final Enrollment Projection for the upcoming school year. For purposes of this Charter, Final Enrollment Projection is not Annual Enrollment Capacity, but is the School's projection for how many students will be enrolled when the school year begins and will serve as the basis for initial FEFP payments.
4. The school agrees to hold a minimum of one seat at each grade level for the District to offer a choice under the District's Adequate Yearly Progress Choice Plan. Students assigned under this plan will be allowed to continue in the school until the law ceases or the student completes the highest grade offered at the school. The District will provide transportation for any child enrolled in this plan who would not qualify for transportation under the school's transportation plan, if required to do so by Florida or Federal Law. The School shall not enroll any student assigned to an Alternative Learning Center.

The School shall endeavor to provide to Sponsor a copy of the certificate of occupancy or temporary certificate of occupancy documenting compliance with all applicable codes fifteen (15) calendar days prior to the School's opening or as soon as a certificate of occupancy or temporary certificate of occupancy is available, if such date falls later than fifteen (15) days prior to the School's opening. In no event may School open its facilities to students until it has received a certificate of occupancy or temporary certificate of occupancy and provided a copy of same to Sponsor. The School shall make facilities accessible to Sponsor for safety inspection purposes. A facility for students to utilize during the class day is a material requirement of this Charter. If the facility is sub-leased, the School shall provide, upon request, documentation verifying the owner of the facility has approved the School's use of the facility if such approval is required.

Any proposed change in location or an additional location must be requested in writing to the Sponsor, and any new location must meet the same standards contained herein and applicable law. If the proposed location will not result in a substantial change to the student population or burden to the currently enrolled students and their families and does not alter the school's mission, approval shall not be unreasonably withheld. The School shall not change locations without prior written approval from the Sponsor, Superintendent or Superintendent's designee.

Notwithstanding the aforementioned, in unforeseen circumstances or emergencies, if the facility is damaged or unable to safely house students and staff, the School must notify the Sponsor, immediately, and secure an alternative location to ensure no interruption in instruction. The alternative location shall be subject to all facility requirements indicated in this section and applicable law. If the circumstances result in limited interruption of instruction the School shall ensure that the required number of instructional hours is provided.

- B. The School shall use facilities that comply with the requirements in section 1002.33(18), Florida Statutes. The School shall provide the District with a list of the facilities to be used and their location. The School agrees to periodic health and safety inspections conducted by District safety staff.

The School may provide transportation through an agreement or contract with the Sponsor, a private provider, or parents.
- B. Reasonable Distance [for purposes of this Charter]: The School and Sponsor shall cooperate in making arrangements that ensure that transportation is not a barrier to equal access for all students residing within Seminole County.
- C. The parties may agree for the District to provide transportation to and from the School. If such agreement is reached it shall be the subject of a separate contract. If agreement is reached with the Sponsor the School may utilize, at the School's expense, the District's transportation services for extracurricular events, field trips, and other activities on the same basis and terms as other District schools.
- D. The School shall comply with all applicable transportation safety requirements. Should the School choose to implement its own transportation plan rather than contract with the District for transportation services, it shall submit a transportation plan to the District for review and approval. The School shall provide the District the name of the private transportation provider and a copy of the signed contract no later than 10 business days prior to the use of the service.
- E. If the School submits data relevant to FTE funding for transportation that is later determined through the audit procedure to be inaccurate, the School shall be responsible for any reimbursement to the Sponsor or State arising as a result of any errors or omissions, misrepresentations or inaccurate projections for which the School is responsible provided that the District has timely sent notice to the School of alleged errors discovered through such audit(s), so that the School, on its own, or through the Sponsor, at the School's expense, may participate in any proceedings to challenge or appeal such audit findings. After final disposition of any appeals, the Sponsor shall deduct such assessed amount from the next available payment otherwise due to the School, without penalty of interest. Any deficit incurred by the School shall be the sole fiscal responsibility of the School and the Sponsor shall have no liability for the same.

Section 7: Food Services

- B. Property insurance shall be secured for buildings and contents. Property Insurance coverage for the "Building" includes the structure, including permanently installed fixtures, machinery and equipment, outdoor fixtures, and personal property to service the premises. If the Building is under construction, the School shall provide evidence of property insurance for the additions under construction and alterations, repairs, including materials, equipment, supplies, and temporary structures within 100 feet of the premises. If the School leases the site location, then the School shall provide on a form acceptable to the Sponsor evidence of business personal property insurance, to include furniture, fixtures, equipment and machinery used in the School.
- C. The School further agrees to secure and maintain property insurance for the School's personal property, and to insure all of the District's owned property, if any, to be used by the School to its full fair market value with the Sponsor named as loss payee. The insurance must be sufficient to provide for replacement of property.
- D. The School agrees to provide adequate Workers' Compensation insurance coverage as required by Chapter 440, Florida Statutes. The Workers' Compensation insurance coverage shall conform to the following requirements: (1) coverage: the School's insurance shall cover the School (and to the extent its subcontractors and its sub-subcontractors are not otherwise insured, its subcontractors and sub-subcontractors) for those sources of liability which would be covered by the latest edition of the Standard Workers' Compensation Policy, as filed for use in Florida by the National Council on Compensation Insurance, without restrictive endorsements and (2) In addition to coverage for the Workers' Compensation Act, where appropriate, coverage is to be included for the Federal Employers' Liability Act and any other applicable federal and state law; (3) minimum limits: subject to restrictions found in the standard Workers' Compensation Policy, there shall be no maximum limit on the amount of coverage for liability imposed by the Florida Workers' Compensation Act or any other coverage customarily insured under Part One of the standard Workers' Compensation Policy. The minimum limits for employer's liability shall be one million dollars (\$1,000,000) by

accident/each accident, one million dollars (\$1,000,000) by disease/each employee and one million dollars (\$1,000,000) annual aggregate; and (4) should the School lease employees, it shall provide evidence acceptable to the Sponsor as determined by its Director of Risk Management that the corporation from which it leases service maintains appropriate Workers' Compensation coverage.

- E. Fidelity Bond and Crime Coverage: The School shall purchase Employees Dishonesty or Crime Insurance for all Governing Board members and employees, including Faithful Performance of duty coverage for the School's administrators and Governing Board with an insurance carrier authorized to do business in the State of Florida and coverage shall be in the amount of no less than one million (\$1,000,000) dollars per loss/two million (\$2,000,000) dollars annual aggregate. In lieu of Employee Dishonesty or Crime Insurance, Sponsor is willing to accept Fidelity Bond coverage of equal coverage amount.
- F. No later than 30 days prior to the opening of school, the School shall furnish the District with fully completed certificates of all insurance policies, signed by an authorized representative of the insurer(s) confirming the coverage begins by July 1. The certificates shall be issued to the Sponsor and name the Sponsor as an additional insured. Until such time as the insurance is no longer required to be maintained by the School, the School shall provide the School Board evidence of the renewal or replacement of the insurance no less than thirty (30) days before expiration or termination of the required insurance for which evidence was provided. Should any of the above described policies (A-E) be cancelled before the expiration date, written notice to the Sponsor shall be delivered in accordance with the policy provisions or within 10 days of cancellation, whichever is sooner.
- G. Failure to secure and continuously maintain all insurance listed in items A-E without cure after written notice above may constitute grounds for termination of this charter.
- H. The School agrees to indemnify and hold harmless the Sponsor, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from: (a) the negligence, intentional wrongful act, misconduct or culpability of the School's members, officers, or employees or other agents in connection with and arising out of any services within the scope of this Charter; (b) the School's material breach of this Charter or law; (c) any failure by the School to pay its suppliers or any subcontractors. In addition, the School shall indemnify, protect and hold the District harmless against all claims and actions brought against the District by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the School, except when Sponsor supplied, or required School to use that material, process, machine, or appliance, and any claims or actions related to violation of any state or Federal statutes or regulations including those referenced in this Charter. The School shall not indemnify Sponsor for intentional or negligent conduct of Sponsor or any other cause of action caused by or through the fault of the Sponsor.

I. Applicable to All Coverages the School Procures

2. Deductibles and Retention: Except as otherwise specified, the insurance maintained by the School shall apply on a first-dollar basis without application of deductible or self-insurance retention.
3. Liability and Remedies: Compliance with the insurance requirements of this Charter shall not limit the liability of the School, its subcontractors, its sub-subcontractors, its employees or its agents to the Sponsor or others. Any remedy provided to the Sponsor or its members, officers, employees, or agents by the insurance shall be in addition to and not in lieu of any other remedy available under the Charter or otherwise.
4. Subcontractors: The School shall require its subcontractors and its sub-subcontractors to maintain any and all insurance required by law.
5. Waiver of Subrogation: All policies will be endorsed for waiver of subrogation in favor of the Sponsor.
6. Defense outside the limits: Whenever possible, coverage for School Leader's Errors and Omission and Sexual Abuse Liability policies should be written with "Defense Costs outside the limits". This term ensures that limits are available to pay claims rather having attorney's fees erode the available claim dollars.

J. To the extent permitted by law, including, specifically Sponsor's sovereign immunity protections and the monetary limits contained within the qualified waiver of sovereign immunity specified in Section 768.28, Fla.Stat. which shall expressly limit Sponsor's monetary obligation to defend and indemnify the School, the District agrees to indemnify and hold harmless the School, its members, officers, employees and agents, harmless from any and all claims, actions, costs, expenses, damages, and liabilities, including reasonable attorney's fees, arising out of, connected with or resulting from: (a) the negligence, intentional wrongful act, misconduct or culpability of the District's members, officers, employees or other agents in connection with and arising out of any services within the scope of this Charter; or (b) the District's material breach of this Charter or law. In addition, the Sponsor shall indemnify, protect and hold the School harmless against all claims and actions brought against the School by reason of any actual or alleged infringement of patent or other proprietary rights in any material, process, machine or appliance used by the District or required by the District to be used by the School, and any claims or actions related to violation of any state or Federal statutes or regulations including those referenced in this Charter.

K. Notwithstanding anything to the contrary contained herein, through such indemnification set forth in Sections 8(H) and 8(J) above, the District and the School do not waive sovereign immunity to the extent sovereign immunity is available or beyond the limited waiver of sovereign immunity set forth in Section 768.28, Florida Statutes. In the event

of any claims described in Sections 8(H) and 8(J) above, the School and Sponsor shall notify one another of any such claim promptly upon receipt of same. The School and Sponsor shall each have the option to defend such claims with their own counsel at the expense of the other party. If the Sponsor or School choose to not hire their own counsel to defend, the other party shall assume the defense of any such claim and have authority in the defense thereof. The parties' obligation to indemnify one another shall survive the termination of this Charter.

- L. Notification of Third-Party Claim, Demand, or Other Action: The School and Sponsor shall notify each other of the existence of any third-party claim, demand or other action giving rise to a claim for indemnification under this provision (a "third-party claim") and shall give each other a reasonable opportunity to defend the same at its own expense and with its own counsel, provided that the Sponsor shall at all times have the right to participate in such defense at its own expense. If, within a reasonable amount of time after receipt of notice of a third-party claim, the School or Sponsor fails to undertake to defend, the other party shall have the right, but not the obligation, to defend and to compromise or settle (exercising reasonable business judgment) the third-party claim for the account. The School or the Sponsor shall make available to each other, at their expense, such information and assistance as each shall request in connection with the defense of a third-party claim.

L. Conflict Between Charter and Florida Law

In any case where this charter conflicts with Florida law, the terms of the applicable Florida Statute, State Board Rule, or case law will control over the Charter.

M. Conflict or Dispute Resolution

Subject to the applicable provisions of section 1002.33, Florida Statutes, as amended from time to time, all disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process, unless otherwise directed or provided for in the aforementioned statute. Nothing herein shall be construed to limit the Sponsor's ability to immediately terminate this Charter in accordance with section 1002.33(8)(c), Florida Statutes. It is anticipated that a continuing policy of open communication between the Sponsor and the School will prevent the need for implementing a conflict or dispute resolution procedure.

The following dispute resolution process, not otherwise pre-empted by section 1002.33, Florida Statutes, shall be equally applicable to both parties to this Charter in the event of a dispute. All disagreements and disputes relating to or arising out of this Charter which the parties are unable to resolve informally, may be resolved according to the following dispute resolution process:

Step 1 -- The persons having responsibility for implementing this Charter for the grieving party will write to the other party to identify the problem, propose action to correct the problem and explain reasons for the proposed action.

Step 2 -- The person having responsibility for implementing this Charter for the other party will respond in writing within fifteen (15) calendar days, accepting the proposed action or offering alternative solution(s) to the problem. A meeting of representatives of the parties may be held to reach agreement on the solution and subsequent action.

Step 3 -- Upon resolution of the problem, the responsible personnel from both parties will develop a joint written explanation indicating the resolution. This document will be retained with this Charter. If an amendment to the Charter is necessary, the amendment will be submitted for action by both parties.

Step 4 -- If efforts at agreement within a reasonable time are unsuccessful, the parties may have recourse to their available legal remedies, including, without limitation, mediation through the FDOE or those additional remedies set forth in section 1002.33(7)(b), Florida Statutes.

N. Citations

Whenever a Florida Statute or State Board of Education Rule is referenced in this Charter,

it shall be construed to mean the statute or rule as it is amended from time to time.

The Sponsor's policies will not control this Charter or be incorporated herein absent written consent of the Governing Board, as provided by Florida law, unless the School agreed to such policies in the approved Application or otherwise agreed to by the Governing Board in writing.

If the Sponsor subsequently amends any agreed-upon Sponsor policy the version of the policy in effect at the time of the execution of the charter, or any subsequent modification thereof, shall remain in effect and the Sponsor may not hold the School responsible for any provision of a newly revised policy unless the revised policy is mutually agreed upon.

Upon the Sponsor's revision of a mutually agreed upon Sponsor policy, the Sponsor shall provide written notification to the School and Governing Board. The written notification shall include the revised policy and shall allow the Governing Board 45 days to reject the revised policy. If the Governing Board does not provide written notice of its rejection of the policy, the revised policy is deemed accepted by the Governing Board. If the Governing Board rejects the revised policy it shall remain bound by the policy as it existed at the time the Governing Board agreed to it.

O. Interpretation

The headings in the Charter are for convenience and reference only and in no way define, limit or describe the scope of the Charter and shall not be considered in the interpretation of the Charter or any provision hereof. This Charter is the product of negotiation between the parties and therefore the terms of this Charter shall not be construed against either party as the drafter.

P. Purchasing

The School will be allowed to purchase goods through use of any contract the Sponsor holds with a vendor in which the vendor agrees to provide products for a certain price to all schools of the District. The School may also participate in Sponsor's bulk purchasing program.
