

Casie McGrath is a graduate of the University of Central Florida with a Bachelor's degree in Mathematics Education and a Master's degree in Curriculum & Instruction. Ms. McGrath joined the Galileo Middle School team in 2017 and has taught 6th grade math, 7th grade math, Pre-Algebra, Algebra 1, and Geometry. She is so excited to share her passion for encouraging an open mindset and positive perception, especially in mathematics, with her students. Outside of school, Ms. McGrath spends her time with Kodak, her German Shepherd, and family and friends. She also enjoys traveling, exploring nature, skiing, hiking, and learning. Ms. McGrath is looking forward to seeing familiar faces and welcoming all the new ones!
