

Mrs. Wyche is an alumna of The University of Central Florida and has been a part of the Galileo family since her college internships. She was born and raised in Citrus County, Florida and now resides in DeBary with her husband, son and their two dogs. When she's not working, Mrs. Wyche loves spending time traveling and being outdoors. In her free time, she also enjoys shopping, boating and cooking! Her favorite part about teaching is building relationships with her students and making them feel loved, smart and important. She believes that students learn best in a safe and comfortable environment and makes her classroom a home-away-from-home for all. She is incredibly proud to be a Dragon and can't wait for an amazing year with the most amazing kids.
